Resume

Muhamed Didovic

Senior software engineer

– Contractor –

Who Am I?

- 📌 I am an independent senior software engineer with a wide experience with different technologies

- 📌 I want to use my experience to help startups with innovative ideas reach their goals sooner

7 DAYS RISK-FREE!

BENEFITS

☑ ## SENIOR CONTRACTOR

Working on an hourly basis or per agreed milestone, whatever works better for you. Working for 7+ years as a freelancer, and 15+ in total.

☑ ## TAX–FREE

As a non-US resident, you don't need to report any tax for me to IRS. I can just send you the W-8BEN form as proof if you need it. That's it!

☑ ## PAY LESS THAN FOR YOUR EMPLOYEE

My price is in the range of the net salary for your regular employee. I pay my own benefits and taxes. I don't charge you for my own expenses, time off, health insurance, taxes, and other benefits.

☑ ## YOU ARE IN GOOD COMPANY

I worked on dozens of startups and impacted the lives of thousands of users with my work in 15+ years of my career.

peakDevs

PROFILE

Full-stack web developer with leadership experience who can build apps from the ground up. I've worked mostly at startups and used to wearing many hats. Product-focused developer who prioritizes user feedback first and foremost. Very flexible when investigating new roles.

EDUCATION

2002 - 2007
Certified Software Engineer
University of Sarajevo

2005

What's Next?

We can have a quick call to see if we all have a common interest to work together and what are the requirements for your project.

I charge by an individual hourly rate or per project, whatever works better for you. I can work as little as a few hours weekly or I can jump in and work up to 40 hours per week.

Reach out to discuss your project with me:

muhamed@peakdevs.com

Hope to hear from you soon before I am hired by someone else!

Best,
Muhamed
